Strategic thinking

## WORK EXPERIENCE

### **Ubisoft, Halifax- Playtester**

January 2025 - March 2025

- Participated in playtesting games for Ubisoft in person with other people at their studio (whilst under NDA) and at home, both for monetary compensation.
- Experience giving feedback on my time playing the games in a one-on-one and group setting.

## VOLUNTEER EXPERIENCE

### **Overwatch 2 Esports Coach & Team Manager, Online**

2017 - PRESENT

- As a Coach, I work with teams and players to analyze struggles in their scrimmages and set goals for short and long term improvement.
- As a Team Manager, I will organize times throughout the week for team practice and review, along with settling any issues or disputes from players or other staff.
- On occasion I have charged for my services with teams for Coaching.
- Full resume for more info can be found [here](#).

## EDUCATION

### **Nova Scotia Community College, Halifax - IT Data Analytics Diploma**
